TO: Town of Verona Residents and/or Land Owners

FROM: Town of Verona Plan Commission Chair, Manfred Enburg

Members of the Town Plan Commission are in the process of updating the Comprehensive Land Use Plan. The goal is to reorganize and reformat the document and consider policy and map changes as may be appropriate since the current plan was drafted in 2003. The working meetings have been schedule through the end of the first quarter of next year.

In compliance with the Comprehensive Planning Laws of WI, Town of Verona Plan Commission members would like to invite citizen participation in this effort. We are interested in hearing comments as we work to update the plan. Comments for consideration may be submitted in writing or emailed and are greatly appreciated if you cannot attend one or more meetings.

The schedule included with this correspondence sets forth meeting dates and intended timeline.

Thank you.
