Review Natural and Cultural Resources Chapter of Comprehensive Plan –

No changes were needed

Town Open Space and Parks Plan update – Keen compiled the total for the Town of all averages from for each Town area. No other changes were made. The plan will use these survey results.

Landscaping at New Town Hall, Prairie Grass Status –

The latest updates on planting were given to all members. It was pointed out that Doug Maxwell and Dave Lonsdorf have been working on the new prairie. Mowing will be used and Dave Lonsdorf is looking at getting someone who is certified to apply herbicide. Keen, Lonsdorf and Maxwell reviewed the plans for the prairie and will revise the plan slightly to accommodate the seeds we have and to reduce the quantity of seeds that will have to be bought. Lonsdorf is working on the seed totals needed. The seeds from the County are in exchange for having people from the Town help gather seeds for the County. People who pick seeds need to let the County and the Town know that they are picking. November 4th is the scheduled date for planting the prairie.
