Review Landscaping -

New Century school 4/5 graders will be gathering seeds on Tuesday, Sept 27 for the town at Heartland Farms. Lonsdorf reported that two town people had contacted him about gathering seeds. He is also collecting at his own property. Lonsdorf suggested that we see what is collected but still felt that to have a good prairie, the town will need to buy more seed to get the necessary diversification. This cost could be up to 2 thousand dollars.
