Present: Bill Keen, Dave Lonsdorf, and DuWayne Hoffman

Approval of Agenda – Lonsdorf moved to approve agenda; 2nd by Hoffman Motion carried 3-0.

Public Comments – None

Update from Members- Keen presented Chapter 7 to the plan commission on September 13. Keen relayed the Plan Commission's request that NRAC come up with a top ten list of green corridors and wooded areas. A preliminary view is that all dark green areas on the Town map be on the list for green corridors. All wooded areas next to the Prairie Moraine Park and along the terminal moraine should be included on the wooded list. NRAC would like more clarification from the Plan Commission. NRAC would also like to know the process for their role in new development proposals; at what point will NRAC be in the process?

Member Lonsdorf was asked to review the Town Hall prairie planting; he believed it is being cut too low. He will ask that mower be raised to 6" and/ or not mow next year. We will need a weeding program.

Old Business – The minutes of the 8/16/18 meeting were reviewed. Lonsdorf moved to approve; Keen seconded. Motion carried 3-0.

Reviewed Parks plan with Chapter 7 – No inconsistencies between the two were found. Members will review again and report any problems. NRAC will approve the two items once all the maps are included.

Schedule Next Meeting – October 17 at 7:00 pm will be the next meeting

Adjourn – Hoffman made a motion to adjourn; 2nd by Lonsdorf. Motion carried, 3-0 at 8:08 PM.
