

# Outdoor Terrace Patio Paver Project

The Town of Verona is a place that many people are proud to call home. There is a sense of pride in being a Town resident. By purchasing a paver to be placed in our new Town Community Center Patio Paver walkway you can create a lasting memory of a loved one, an organization, an event or share a message to honor those and ideas that have left an imprint on our lives.

**Proceeds from the Paver Project will help beautify the new Town facilities.**
