## OUTDOOR TERRACE PATIO PAVER PROJECT

\*

*Dear Town Residents:*

You were missed at the Annual Meeting this past Tuesday – April 18<sup>th</sup>. REMINDER to put this on your calendar for next year. Due to low attendance are sending off our kick off information to you via the Town info list serve . We hope that you will participate and share with your neighbors as well. Perhaps your neighborhood would like to purchase a paver as a group effort or maybe your breakfast or card club or other group organization.

Here are the details. The Town of Verona has an outdoor terrace paver walkway project on our new patio. This will be used by many town residents and visitors each year.

Most of us agree the Town of Verona is a place that many people are proud to call home. There is a sense of pride in being a Town resident.

By purchasing a paver will help beautify the new Town facilities, outdoor terrace and landscape. In addition, you can create a lasting memory of a loved one, an organization, and event or share a message to honor those and ideas that have left an imprint on our lives. Here is an example of the first paver quote we have chosen as our sample.....

*“Individual Commitment To A Group Effort – That Is What Makes a Team Work, A Company Work, A Society Work, A Civilization Work.” - Vince Lombardi-*

Please see the attached forms to order your paver.

If you have questions about this process please contact me at 608 807-4467 or email: [tdresser@town.verona.wi.us](mailto:tdresser@town.verona.wi.us)

**To ensure paver is placed in time for the Open House Reception on June 2, 2017 – (4pm-9pm) – (SAVE THE DATE!!! – more details coming soon).....paver order must be received by May 5, 2017.** Inclusion of your paver in the walk is guaranteed for the life of the paver.

Upon receipt of your paver order and payment, I will send an email confirming the text to be engraved on your paver.

Thanks for your consideration. Each paver is a story..... each step will be a memory.
