

Fall Prairie Seed Collection Schedule

Volunteers are invited to join!

Have you ever walked out among tall prairie grasses and flowers? This is a great way to experience the beauty of the prairie up close, learn the species, and help collect for future prairie plantings.

Please arrive early and be ready to volunteer by 9:00 am. All tools and training will be provided. No previous experience necessary. We may drive or walk from the meeting location to a different area in the park. Wear long pants, long sleeve shirt, and closed-toe shoes. Bring drinking water, work gloves, and be prepared for possible mosquitoes.

Registration is encouraged and greatly appreciated.

School groups or groups larger than 5 must make prior arrangements.

Please Register on link in E-mail or call
 Rhea -Office (608)-224-3601 or stangel-maier@countyofdane.com
