

# TREE CUTTING

AND

# Brush Trimming

Performed By

## TOWN OF VERONA

## Wolf Tree Service

## Public Works Staff

The Town of Verona Board has contacted Wolf Tree Service to trim brush and tree limbs and to remove some trees within the right of way along **Sunset Dr** and **Range Tr** beginning August 15, 2017. (*weather permitting.*)

The Town of Verona Trimming ordinance requires the Town crew to trim or remove a tree when it has the potential to create a safety hazard. An **orange X** has been placed on trees to be removed or trimmed.

Some residents have expressed interest in the wood. The Town crew will leave the wood near the tree for retrieval. The Town will come back and pickup any larger limbs.

Material from the brush and small limb will be chipped and available to town residents for use as mulch. This is not commercial quality mulch and includes the wide variety of materials left on roadside for the Town Crew to handle. If you would like a load of wood chips, please feel free to pick up starting August 16, 2017 at our new location – 7669 County Highway PD.

We have been very careful in our evaluation of each tree. As the Town we are responsible for everything that impacts the public way. Your cooperation will make the Town of Verona a safer place for pedestrians as well as motorists.

*For questions or further information about this notice, please call **Amanda Arnold** at 608-807-4460.*
