2019 Road Maintenance Projects (Various locations)

Asphalt pavement Wedging and Chip Seal Maintenance is scheduled to begin on various roads on June 5, 2019, weather permitting. The project consists of the pavement patching of selected areas and asphalt chip sealing. Specific road locations include:

- White Crossing Road, Town Line to County Highway PD
- Spring Rose Road, South Town Line to Riverside Drive
- Spring Rose, US highway 151 to Dairy Ridge Road
- Marsh View Road, County Highway G to east end
- Sugar River Road, Riverside Drive to Marsh View Road
- Valley Road, WI 69 to Sugar River Road
- Manhattan Road, WI 69 to east end
- Fritz Road, Town line to Valley Road
- Jaggi Drive, Fritz Road to west end
- Cross Country Road, Badger Prairie Lane to Glacier Crossing Trail (pavement patching only)
- Fitchrona Road, Whalen Road to Pheasant Lane (pavement patching only)

The work will begin with pavement patching and wedging in June with the chip seal operations to follow in late July, weather and materials permitting. Traffic will be reduced to one lane during the patching construction with flagging operation. Motorists and other road users are advised to seek alternate routes during the construction period and use caution in the area.
