Approval of Agenda- Motion by Lonsdorf, Second Tucker, passed 4-0

Approval of Revised Minutes from February 8, 2022: Motion Tucker, Second Bodolay, passed 4-0

Public Comments-None

Update from Members: None

Update from Board Member: Lonsdorf stated he will be having back surgery and may be unable to be present at some future meetings.

Review Town Hall's storm water pond: NRAC was asked to find information about inspecting our town storm water pond. Lonsdorf will be contacting county and how they inspect. Tucker and Bodolay will locate other towns and counties that have inspection programs for storm water ponds. . Information was given that county only works on complaints for storm water ponds. Once this information is gathered and compiled, a report will be given to the town board by June. It is suggested that once an inspection plan is created that the Public Works commission be responsible for the town's storm water pond.

Review power point presentation for PDR and conservation easements: The presentation was shown and suggested changes were made.

Discuss next steps for PDR and conservation easements: The presentation will be given at the April 12 Town Board meeting.

Motion to adjourn by Bodolay, 2nd by Tucker, Passed 4-0 at 8:29 p.m.
