4. **Discussion: Procedures and Criteria for Installation of Sidewalks and Multi-use Trails:** Barnes referenced the memo in the packet regarding an inquiry for the installation of a sidewalk on Cross Country Road near the Reddan Soccer complex. Senseman asked if the sidewalk would be on the south or north side. Barnes replied it could be either. Swiggum mentioned that sidewalk existed on the north and south side of Cross Country at the soccer park entrance and on the north side at the Ice Age Trail. Duerst asked about the estimated cost for the sidewalk; Barnes replied it would be in the \$200,000 range. Discussion followed. Duerst asked Barnes to research other government agencies' criteria for sidewalks and funding methods.

Swiggum asked about next steps. Barnes replied that if the committee agreed, the roads would be presented to the Town Board in the 2023 budget. Senseman added that the Finance Committee had received the same list and estimate of \$395,563.60. Duerst asked for the consensus of the committee, all were in agreement.

Subject: Shady Oak Lane Jurisdiction Transfer, Shady Hill to County Highway PD

RE: Parcel 0608-092-8002-0

Dear Property Owner:

As you may be aware, a portion of land fronting Shady Oak Lane ("Marty Farm") has been annexed by the City of Verona. A map of the affected portion of Shady Oak Lane is included.

The public right-of-way (33 feet each side of the road centerline) is highlighted on the included map of Shady Oak Lane. This section of road will now be maintained by the City of Verona for items such as snow and ice control, roadside mowing, tree trimming and removal, and road pavement repairs. The City and Town staff have met to discuss this transfer of responsibility, and I expect that as a property owner you will not see any significant change in service. The Town will continue to maintain Rolling Meadows Road/Shady Hill Drive/Oak Hill Court. Residents affected by this transfer on Shady Oak Lane will continue to have their refuse and recycling handled by the Town, and this jurisdictional change will not affect your mailing address.

If you have concerns about conditions in the public right-of-way such as tree limbs, potholes, or mailbox damage due to snowplowing, please contact the City of Verona Public Works Department at 608-845-5761.

If you should have any questions regarding this issue, please contact me at 608-807-4471 or cbarnes@town.verona.wi.us.

Sincerely,

W. Christopher Barnes, P.E.
Public Works Director
