Update from Members – Lonsdorf brought up the fact that the OSPC use to get development plans in the town before they went to the plan commission. Why does NRAC not get to review these before they go to the plan commission?

Nothing will happen till January

Recommend to the Town Of Verona Board the adoption of the updated parks plan for 2018-2022 by resolution-

Wording for the resolution was reviewed and modified.

Update on the landscaping at new Town Hall –

Planting of seeds went well. Need update on the plants to be placed close to the town hall.

Discuss Purchase of Development Rights –

Cost would be high and even though it was in the survey that people would be willing to pay more for natural area protection, the increase in taxes would be prohibitive. Where to develop in the town without affecting landowners was also discussed.
